The Bhutan Bike Expedition turned out to be an unforgettable experience. From the seamless border formalities to conquering the high mountain passes, everything was organized with great attention to detail. The Royal Enfield 411 bikes performed flawlessly throughout the journey, and regular technical inspections gave us complete confidence on the roads. The support vehicle handling our luggage made the ride comfortable and completely hassle-free, allowing us to truly enjoy the scenic routes and snowy landscapes. Special thanks to Sachin Rana and Teshank for their outstanding coordination, constant motivation, and strong focus on rider safety.

Just came back from the Bhutan trip with Deyor and it was a really smooth experience overall. The landscapes were unreal, especially the mountain roads and valleys. The itinerary was well planned, stays were comfortable, and the local support in Bhutan was very helpful.

The team handled permits, transport, and daily plans properly, which made the trip stress-free. There were a few long travel days, but that's expected in Bhutan and totally worth it for the views. Overall, a well-organised trip with good coordination and genuine care from the Deyor team. Would definitely recommend them if you're planning Bhutan.

Had an absolutely superb experience with Deyor on our Bhutan bike trip!

From start to finish, the entire trip was extremely well organised and honestly exceeded my expectations. Riding through Bhutan's beautiful landscapes on a bike made the experience even more special every route, view, and stop felt like an adventure.

A special shoutout to Umang, our trip coordinator, and Parth from ops team of deyor Both of them were incredibly helpful throughout the trip and made sure everyone was comfortable, safe, and having a great time. They were always available whenever we needed help and handled everything very smoothly, which made the trip completely stress-free for us.

The group, the rides, the stays, the coordination, and the overall vibe were all amazing. It genuinely felt less like a packaged trip and more like an unforgettable adventure with a great bunch of people.

Huge thanks to Umang and Parth from deyor for making our Bhutan trip so memorable.
